## TODAY'S SCRIPTURE READINGS

**Acts 2:1-11** The record is not clear about what happened on the celebration of Pentecost. Some heard a mighty wind roaring through the house. Some saw tongues of fire alighting on each person. Some spoke in foreign tongues. However it happened, all were filled with the Holy Spirit that gave utterance to the gospel in every tongue.

**Corinthians 12:3-7-12-13** There is a world of truth in the old adage "The hand that rocks the cradle rules the world." Just as well to say, "The voice that soothes the troubled heart summon the brave heart to battle." Language shapes and solidifies our world. There is no more radical mandate for freedom than freedom of speech.

**John 17:20-26** In this passage, Jesus recognizes that the diversity of all things shares a unity of the Spirit. All things share in the Light of the Spirit. The same energy that burns in the sun and shines in the stars radiates in everything that exists. The Light of Being

Tom Harkin, senator from Iowa, entered into the Congressional Record these words from an article in the Des Moines Register: "Sister Dorothy Hennessey taught many things, including courage, compassion, and the importance of independent thought and creative action She taught that aging gracefully can be consistent with living meaningfully and even dangerously. But most important, she taught that we don't have to stand by in frustration when wrongs are perpetrated even by our government; at that the world is best served when we stand up for what is right. And that you do whatever you can, from wherever you are. In her case it was the Lord's work." from Robert Ellsberg's book, "The Franciscan Saints."

**ELECTRONIC GIVING:** We are so grateful to those who are using our Electronic Giving. Your automatic donations are received by the Parish even when weather or vacation keeps you away from us on the weekend. Even while you are enjoying the summer break from your regular routine, your parish will be receiving your much needed support. Our bills take no vacation, To enroll, just go to our website, [www.stmarysnassau.org](http://www.stmarysnassau.org) and click on "donations". If you would like us to do this for you, pick up a sign up sheet, fill it out, and provide us with a voided blank check.

**OPERATION RICE BOWL:** This Lent our Parish participated in a Lenten program of Catholic Relief Services. Proceeds will help our less fortunate brothers and sisters in our Diocese and around the world. Please return your rice bowls. So we can remit the funds to the Diocese.

**2019 BISHOP APPEAL** The Campaign for this year will enter its fifth week this weekend. Our assessment is \$35,148, a reduction of 4% from last year. We know that you will do your best to help us meet our commitment to the Diocese of Albany. We ask you to prayerfully consider what you are able to give.

If you visit [www.thebishopsappeal.org](http://www.thebishopsappeal.org), you can learn how your donations are put to good use helping others. The important thing to remember is that if everyone does what he/she can do, we can meet our assessment. The key essential is that **everyone do his/her part**. It is unfair to put this burden on just a few parishioners. If we fail to meet our assessment, the difference must come out of parish funds. The success of the Bishop Appeal is in your hands.

## RESULTS AT WEEK #5

**49 GIFTS; \$24,040 ; 69% OF OUR GOAL!**

If it is possible, please do your part and make a pledge or outright gift soon. It would be nice to reach our goal and not have to keep the drive going all year long. Thank you to those who have already contributed.

**FATHER PATRICK PEYTON, CSC** was a well known and beloved Rosary Priest who began his worldwide mission in Albany. On June 9, the Irish American Heritage Museum will open an exhibit on his life and work. The exhibit is on loan from the Fr. Peyton Centre in Attymass, County Mayo, Ireland. Father Peyton promoted devotion to the Blessed Mother throughout the nation with the Family Rosary Crusade. His slogan was "The family that prays together, stays together."

In 2017 Pope Francis declared Father Peyton Venerable. This was the second step in his journey to being declared a Saint. Presently the Congregation for the Causes of Saints is reviewing a possible medical miracle attributed to his intercession and he would then be declared "Blessed." All are invited to the free opening of the Exhibit from 2 to 5PM today at 370 Broadway, Albany. Following the opening, a series of presentations about Fr. Peyton will be held on 6/12, 6/19, and 6/26. All are at 7PM and free of charge.
